| Footnote # | Footnote Narrative  |
|------------|---|
| 1          | The Department reviewed the time studies, pertinent code sections, and reasonableness of the current fees. Direct costs have been added where applicable.   |
| 2          | Not used.   |
| 3          | The department conducted a survey of comparable counties to ascertain that the proposed fee was reasonable.   |
| 4          | Statutory fees are subject to change in order to comply with state statutes.  |
| 5          | This is a State-mandated fee paid to the State if sale proceeds exceed \$1.50; no revenue to the County.  |
| 6          | The direct charge from Rabobank for a returned check increased from \$5 to \$10.  |
| 7          | The fee is set by California Probate Code and is based on the value of the estate administered. The calculation is \$25 plus 1/4 of 1% of the amount over \$10,000, for each year an estate is open. Fees after the first year are prorated by month.   |
| 8          | The fee is set by California Probate Code and is based on the value of the estate administered. The fee is 4% of the first \$100,000, 3% of the next \$100,000, 2% of the next \$800,000, etc. There is a \$1,000 minimum compensation for estates handled by the Public Administrator. (Most PA estates do not exceed \$25,000 and therefore fall in this category.) Because estate sizes and fees vary, the expected revenue is simply divided by \$1000 to determine the units of service, but the actual number of estates administered will be less.   |
| 9          | Effective with FY 2012-13, the Current Secured Delinquent Cost Fee increased from \$10.00 to \$20.00, to recover actual costs of preparing the delinquent tax records and giving notice of delinquency, as allowed by code. All costs added in FY 2012-13 and forward will be at the rate of \$20. However, all costs existing prior to July 1, 2012 will be collected at \$10. Until all \$10 costs from prior years have been collected, this fee must be estimated with units at both fee amounts. For workbook purposes, the projected number of units was determined by taking the total estimated revenue and dividing by the \$20 fee. The actual number of units for FY 2013-14 is forecast to be 9,875 vs. 9,400 in the FY 2012-13 budget. |
| 10         | More efficient processes are taking less time, resulting in a significant reduction in this fee.  |
